| FRICTIONLESS PAYMENT RAILS

GLOBAL TRANSACTION SYSTEMS

To ensure seamless deposits and withdrawals from dynamic international markets, Elite Trader Hub operates using the most secure premium transfer models.

🛡️ Supported Transfer Channels

Deposits and withdrawals are processed smoothly via **USDT Mode (Web3 Blockchain)** and local **INR Local Mode**.

💵 Locked Exchange Rate Paradigm

\$1 = ₹100

Fixed rate conversions are applied platform-wide to safeguard network capitals from volatile cross-border exchange rates.

| TERMS & CONDITIONS

-  **Unified Member Profiles:** Each unique active requires a verified mobile number & active personal e-mail address for registration.
-  **Calculation Cycles:** All working team incentives and non-working reward payouts will be calculated statistically on a monthly basis.
-  **Guaranteed Payment Windows:** All processed payouts will be systematically authorized and credited within the 10th of every calendar month.
-  **Deposit and Withdrawal Modes:** Standard platform transactions and top-ups are supported exclusively in USDT and INR modes.
-  **Administrative Surcharges:** All working promotional payouts are subject to a nominal 5% administration charge deducted during credit cycles.
